## Biography

Nil Gülyaşar works as an Associate in the Corporate department at Erdem & Erdem. She especially provides legal advice on domestic and international M&A's, corporate law, corporate governance principles, contracts law, and business law.

Nil Gülyaşar advises clients on domestic and cross-border mergers and acquisitions, share transfer transactions and also provides legal assistance to companies from different sectors on daily corporate matters including but not limited to holding general assemblies, company incorporations, and capital increases. She also has experience in drafting, reviewing, and negotiating different types of commercial contracts.

She has graduated from Istanbul Bilgi University Faculty of Law and completed her LL.M. degree in Queen Mary University of London in the field of Commercial and Corporate Law with distinction.
